Ongoing? (These numbers will go into your Operating Plan budget.) Pricing Explain your method(s) of setting process. For most small businesses, having the lowest price is not a good policy. It robs you of needed profit margin; customers may not care as much about price as you think; and large competitors can under-price you anyway.

## **Business Plan for Startup Business - Tennessee**

Summarize future plans â€“Explain where you would like to take your business. With the exception of the mission statement, all of the information in the executive summary should be covered in a concise fashion and kept to one page. The executive summary is the first part of your business plan many people will see, so each word should count.
