The Department, under the direction of the State Comptroller, is responsible for: providing a unified financial accounting and control system for state funds; developing a comprehensive system of checks and balances between state agencies entrusted with the collection, receipt and disbursement of state revenues; and

maintaining a central accounting system for all state agencies and institutions.

Reference Page - Virginia Dept of Accounts

A concept first named by Richard Thaler, mental accounting (or psychological accounting) attempts to describe the process whereby people code, categorize and evaluate economic outcomes. Mental accounting deals with the recollection and perception of our various expenditures; its purpose is to keep track of our money-related decisions so as to give us a model with which to evaluate future ...
