already offering, professional development and training on "Planning, Assessment & Evaluation", specific to the needs of new teachers, should include the following core content:

PLANNING, ASSESSMENT and EVALUATION

ASSESSMENT-PLANNING CYCLE Explained This process and illustration is a simple, but useful tool in developing an assessment plan, step-by-step. While the illustration is cyclical, it is not necessarily linear. You will notice that it is called an assessment-planning cycle. This is because planning is interwoven with assessment.

15. Retool program based on formative and summative evaluation
