### **How to use an Assimil course - Language Geek**

Assimil is a French company producing dialog-based language courses. Their materials are generally considered excellent, but require more self-discipline than the Foreign Service Institute courses. Many people alter the "official" Assimil instructions slightly to fit more into their personal learning style, by emphasizing Shadowing, transcribing the audio portions of the lessons, etc.

### **Assimil | Learn Any Language | FANDOM powered by Wikia**

Each Assimil –course–™ provides 100 lessons with accompanying audio, English (or French) native language translation, footnotes explaining a few grammar and pronunciation points, and some translation exercises.

### **The Most Honest Assimil Review You'll Ever Read**

About Assimil Italian Method. Assimil courses tend to be more popular in Europe since they are being released by French based company. If we would compare Assimil to other language learning courses it can be said that its teaching approach is quite different.
