When Was the Baroque Era? The official company line on when the Baroque Era started, which you will find in every book, encyclopedia, or bubble-gum wrapper on the subject, was the year 1600. The event which earned 1600 this enviable distinction, as far as I can tell, was the impel fact that it has two zeros stuck on the end of it, thus making it fairly easy to remember.

The Baroque Era Essay Example For Students | Artsolumbia

The Baroque period was a point in time that describes the style and manner of music in Europe that extended through the years spanning from 1600-1750 C. E. (Sartorius, para. 1). The term Baroque was initially mainly used as a description of art rather than the music until the 20th century.
