But, as Rees demonstrates, our universe is an exceptional member of this infinite ensemble, for it is still near the beginning of a fascinating evolutionary process that will end either in the heat-death of external expansion, or in what scientists call a "big crunch."

### **Before the Beginning (Helix Books): Martin Rees**

His patience prevailing, and His forgiveness overriding our transgressions. The first workings of God took place in the period before the beginning of time and space "up until the creation of spirit beings and earth's destruction prior to the creation of the first man"Adam. That was the pre-creation, pre-Adamic period.

What a lovely and encouraging truth this is about our God! The mutual, outgoing love expressed by each member of the Trinity"Father, Son, and Holy Spirit"is key to understanding the nature of God. What was God doing before the beginning of time? What He always does: He was loving because He is love (1 John 4:8).
