How to Start a Blog The Beginner's Guide to Successful Blogging Five easy steps to starting a blog: Choose a blogging platform Have you ever asked yourself how to start a blog? You may have been hearing that starting a blog is so complicated but we're here to convince you that creating a successful blog is not as daunting as many people think.

## **How to Start a Blog - First Site Guide**

This tutorial takes you through the necessary steps to make sure that your website is primed and ready to be indexed and ranked by Google, Bing, et al. Generally speaking, these actions create a version of your website that search engines can read easily.

## **10 Essential Tutorials That Every Wix Newbie Should Know**

To help more developers embrace deep-learning techniques, without the need to earn a Ph.D., I have attempted to flatten the learning curve by building a short crash-course (3 hours total). The course is focused on a few basic network architectures, including dense, convolutional and recurrent networks, and training techniques such as dropout or batch normalization.

## **Learn TensorFlow and deep learning, without a Ph.D**

E-Learning itself is a convenient and flexible learning method, self-paced and available almost 24/7, without boundary of time and space. E-learning stuff on a PowerPoint presentation, however, is not a nice layout for learning community on the Web.
