Over the last 25 years, the federal government has made a concerted effort to find out why so many children struggle with learning to read. This research has yielded a rough consensus on the best ways to teach reading, and we now know much more about how to identify children at risk and how to intervene effectively. The challenge that remains is getting this research-based

Etymology. The word surah was used at the time of Muhammad as a term with the meaning of a chapter or a portion of the Quran. This is evidenced by the appearance of the word sura in multiple locations in the Quran such as verse 24:1: "A sura that We have sent down and appointed, and We have sent down in it signs, clear signs, that haply you will remember."
