North America. In 1981, United Video Satellite Group launched the first EPG service in North America, a cable channel known simply as The Electronic Program Guide. It allowed cable systems in the United States and Canada to provide on-screen listings to their subscribers 24 hours a day (displaying programming information up to 90 minutes in advance) on a dedicated cable channel.

The Association for Fundraising Professionals (AFP) defines the case as "the reasons why an organization both needs and merits philanthropic support, usually by outlining the organization's programs, current needs, and plans." A case statement, "a presentation that sets forth a case." The first is a concept, while the second is a physical document. We want to draw a further distinction.
