Many, or perhaps most, law schools in the United States grade on a curve. The process generally works within each class, where the instructor grades each exam, and then ranks the exams against each other, adding to and subtracting from the initial grades so that the overall grade distribution matches the school's specified curve (usually a bell curve).

List of law school GPA curves - Wikipedia

The Dirac quote you remember may be this one: [In the early days of quantum mechanics â€¦ it was a good description to say that it was a game, a very interesting game one could play.
