Global warming is a long-term rise in the average temperature of the Earth's climate system, an aspect of climate change shown by temperature measurements and by multiple effects of the warming. The term commonly refers to the mainly human-caused observed warming since pre-industrial times and its projected continuation, though there were also much earlier periods of global warming.

This guide stresses the systematic causal analysis of gender inequality. The analytical questions raised and the readings listed consider why and how gender inequality arises, varies across and within societies, persists over generations, produces conformity by individuals and institutions, resists change, and sometimes changes dramatically.

Invincible is the final studio album by American singer Michael Jackson, released October 30, 2001 on Epic Records. It was Jackson's sixth studio album released through Epic, and his last released before his death in 2009. Similar to Jackson's previous material, Invincible explores themes such as love, romance, isolation, media criticism, and social issues.
