

question and answer format pdf

A closed-ended question refers to any question for which a researcher provides research participants with options from which to choose a response. Open-ended questions are sometimes phrased as a statement which requires a response.. A closed-ended question contrasts with an open-ended question, which cannot easily be answered with specific information. ...

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
