The initial use of private prisons is directly linked to the utter failure that is the War on Drugs. In 1970 Nixon began, and all subsequent presidents continued, to become intensely serious about the war on drugs and started punishing non-violent, hard working Americans for ingesting substances responsibly and safely. From 1960 to 1980 the number of total arrests nationwide rose by 28% while ...

Entertainment is a form of activity that holds the attention and interest of an audience, or gives pleasure and delight. It can be an idea or a task, but is more likely to be one of the activities or events that have developed over thousands of years specifically for the purpose of keeping an audience's attention. Although people's attention is held by different things, because individuals have ...
